Facce a Milano

Federica Verona
7 Luglio 2014

"streetpost-it è il luogo dove raccolgo tutti i giorni delle storie in forma di immagine. Sono storie di persone normali che incontro per strada e la cui umanità ha qualcosa che mi colpisce. Può essere qualsiasi cosa: un elemento del vestito, del viso, un colore, un'espressione della faccia, i capelli o le scarpe.

La mia città da un po' di tempo è Milano, o almeno quella in cui passo più tempo. Mi sposto con frequenza tra centro e periferia, longitudinalmente e trasversalmente, a piedi o con i mezzi. Senza le persone che incontro e che osservo ogni giorno, sono sicura che Milano mi piacerebbe molto di meno."
